impure, contaminated, and unfit for drink, it shall be the duty of the health officer to serve or cause to be served on the owner, agent, or tenant of the property, a notice in writing that such water shall no longer be used for drinking purposes, and it is hereby made the duty of the board of health to order the closure, filling up, or destruction of any well or cistern or other source of supply whose waters are found to be impure, unless after proper cleansing it is found that the water is healthful, to the satisfaction of the health officer, and when such steps are taken by the health officer, any tenant, owner, agent, or other individual whatsoever who resists, opposes, or attempts in any way to interfere with said work of the health officer, or resists any properly authorized officer in the discharge of his duty, shall be subject to the penalties herein provided.

Buildings—Insanitary—Vacation or Repair. (Ord. C1848, Jan. 4, 1915.)

SEC. 83. Whenever any building, or a part thereof, may become insanitary, or for any reason endanger human health, the health officer shall issue an order, to be affixed conspicuously on the building, and served on the owner, agent, lessee, or occupant thereof, requiring all persons to vacate such building, and discontinue its use at such time as the health officer may determine, which time shall be stated in said order. Any owner, agent, lessee, or occupant of any such building, or part thereof, who shall fail or refuse to comply with said order, shall be subject to the provisions and penalties herein provided, unless he appeals to the city council within five days, or repairs the building, or cleans the same, or otherwise complies with the requirements of the health department within the time stated in the order, and it shall thereafter be unlawful to occupy or permit the occupancy of such house, or part thereof, until such order has been complied with.

Water-Closets and Urinals—Maintenance. (Ord. C1848, Jan. 4, 1915.)

SEC. 84. Every proprietor, lessee, or occupant of any building, room, or premises, in which is conducted a saloon, restaurant, eating place, hotel, lodging house, or other public place, shall keep the urinals and water-closets therein in a cleanly and sanitary condition; and shall keep in constant use in such urinals and water-closets a standard disinfectant.

SEC. 85. No water-closet or urinal shall be within or connected directly with any room where any meat, fish, poultry, fruit, berries, vegetables, milk, cream, market produce, or any other food supplies whatsoever, whether in its natural state or manufactured, is stored, kept, or offered for sale, unless the room in which such water-closet or urinal is situated, shall have direct communication with the outside air and be separated from such room with a solid, tightly fitting door, equipped with an automatic closing device and such door must be kept closed at all times except when in actual use for the purpose of ingress or egress.

SEC. 86. No plumbing for any water-closet or urinal or bath fixture in any place where any kind of food products are stored, kept, or offered for sale, or in any hotel or lodging house, shall be used until it has been approved by the health officer, or his deputy.

Rags—Sale of. (Ord. C1848, Jan. 4, 1915.)

SEC. 87. No person, firm, or corporation shall sell, or offer for sale, any rags or cast-off clothing for the use of wipers or wash rags, unless the rags or cast-off clothing has been boiled at least 20 minutes and disinfected and sterilized and shall be labeled as sanitary rags.
